

Column Light

Column Light

Elegant column lighting feature, which is suitable for both modern and classic architecture. Ideal for creating visual guidance and exceptional visual comfort. These luminaires offer glare free illumination of ground surface and are perfect for illuminating entrances, footpaths as well as garden and landscape architecture. Clean Lines and pure form are the underlying elements of this series of column light, designed to provide rotationally symmetrical illumination on the ground surface. Light emission 360 degree / 240 degree.

Technical Specifications

- Luminaire made of extruded aluminium alloy (grade 6063) with die-cast aluminium components and non corrosive SS fasteners.
- Shielded / unshielded light.
- For optimum coordination with lighting situation, these luminaires can be supplied in different mounting heights.
- Non yellowing UV stabilized polycarbonate diffuser.
- Silicone gasket.
- Cast Iron mounting plate with an anchorage unit made out of hot dip galvanised steel for extra guarantee against corrosion. Luminaire can be aligned on the mounting plate around 360°.
- Cable entries for through-wiring of mains supply cable.
- Integral power supply
- Earth connection
- Safety class I
- Suitable for operation on 240V, 50Hz single phase ac supply.

Product Benefits

- Practical . Elegant . Efficient
- Timeless modern design options.
- Easy to maintain, robust and durable construction.
- Soft diffused lighting protects pedestrians from glare and provides distinctive lighting with exceptional visual comfort.
- Sustainable LED technology offers durability and optimal light output with low power consumption.

Area of Application

Suitable for Private & Public areas, Illuminating Driveways, Pathways, Building surrounds, Entrances, Squares & Gardens.

Available Finish

Pure polyester powder coated Graphite grey / Black / silver.
