

Ajna Asymmetrical Bollard

These environmentally friendly LED garden and pathway luminaires, create a pleasant light distribution with a high degree of visual comfort. These luminaires offer shielded glare free illumination of ground surface and are perfect for illuminating entrances, footpaths as well as garden and landscape architecture. Clean Lines and pure form are the underlying elements of this series of LED bollards, designed to provide light emission of 240°.

Technical Specifications

- Luminaire made of extruded aluminium alloy (grade 6063) with die-cast aluminium components and non corrosive SS fasteners
- Reflector system made of spun aluminium (powder coated white)
- For optimum coordination with lighting situation, these luminaires can be supplied in three different mounting heights.
- Non yellowing UV stabilized polycarbonate clear diffuser
- Silicon gasket
- Cast Iron / aluminium mounting plate for bolting onto a foundation. Luminaire can be aligned on the mounting plate around 360°.
- Cable entries for through-wiring of mains supply cable
- Integral power supply
- Earth connection
- Safety class I
- Suitable for operation on 240V, 50Hz single phase ac supply.

Product Benefits

- High luminous efficiency at reduced wattage.
- Elegant, Robust design
- Sustainable LED technology offers durability and optimal light output with low power consumption.

Area of Application

Suitable for Residential & Public areas for Illuminating Driveways, Pathways, Flowerbeds, Entrances, Squares, Gardens and as well as landscape architecture.

Available Finish

Pure polyester powder coated Graphite grey / Black.

ID	Wattage	A	B	C	Mounting
7048	16W LED	Ø166	930	---	Fig. 1
7049	16W LED	Ø166	395	---	Fig. 1
7050	16W LED	Ø166	200	Ø200	Fig. 2

The luminous flux and the connected wattage quoted might change as a result of technical progress. For the latest technical information, Installation guidelines and product updates with LED service life please refer to the website at www.klite.in

Important Note : To ensure proper installation, kindly translate / communicate the installation instructions to a qualified electrician in their respective local language.
