

Cubus

High Brightness, LED light source do not pose any environment risks. Designed for highest efficiency in terms of more lumens at reduced wattages contributing to a Greener World. Aesthetically shaped wall mounted luminaire for down lighting effects.

Technical Specifications

- Luminaire made of extruded aluminium square tube.
- Cast aluminium base for mounting onto the wall.
- Clear polycarbonate optical lens
- Cable entries for through-wiring of mains supply cable.
- 10KV surge protection
- Integral power supply
- Earth connection
- Safety class I
- Protection class : IP68 LED module
- CE - Conformity mark
- Prewired with LED driver and suitable for operation on 240V, 50Hz single phase ac supply.

Product Benefits

- High luminous efficiency at reduced wattage.
- Elegant, Robust design
- Sustainable LED technology offers durability and optimal light output with low power consumption.
- The Fixture and the driver are designed to provide value technology ideally suited to Indian conditions.

Area of Application

Residential, Building facade, commercial centres, Passages, Walkways.

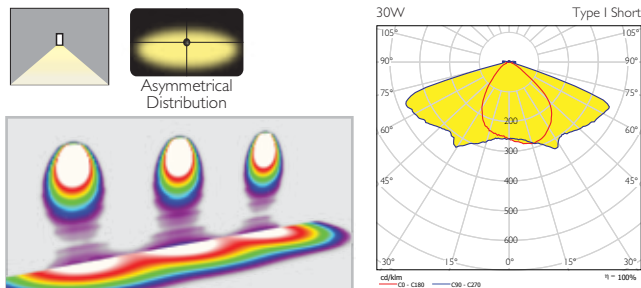

Available Finish

Pure polyester powder coated Graphite grey.
