

Narnia Lighting Pole

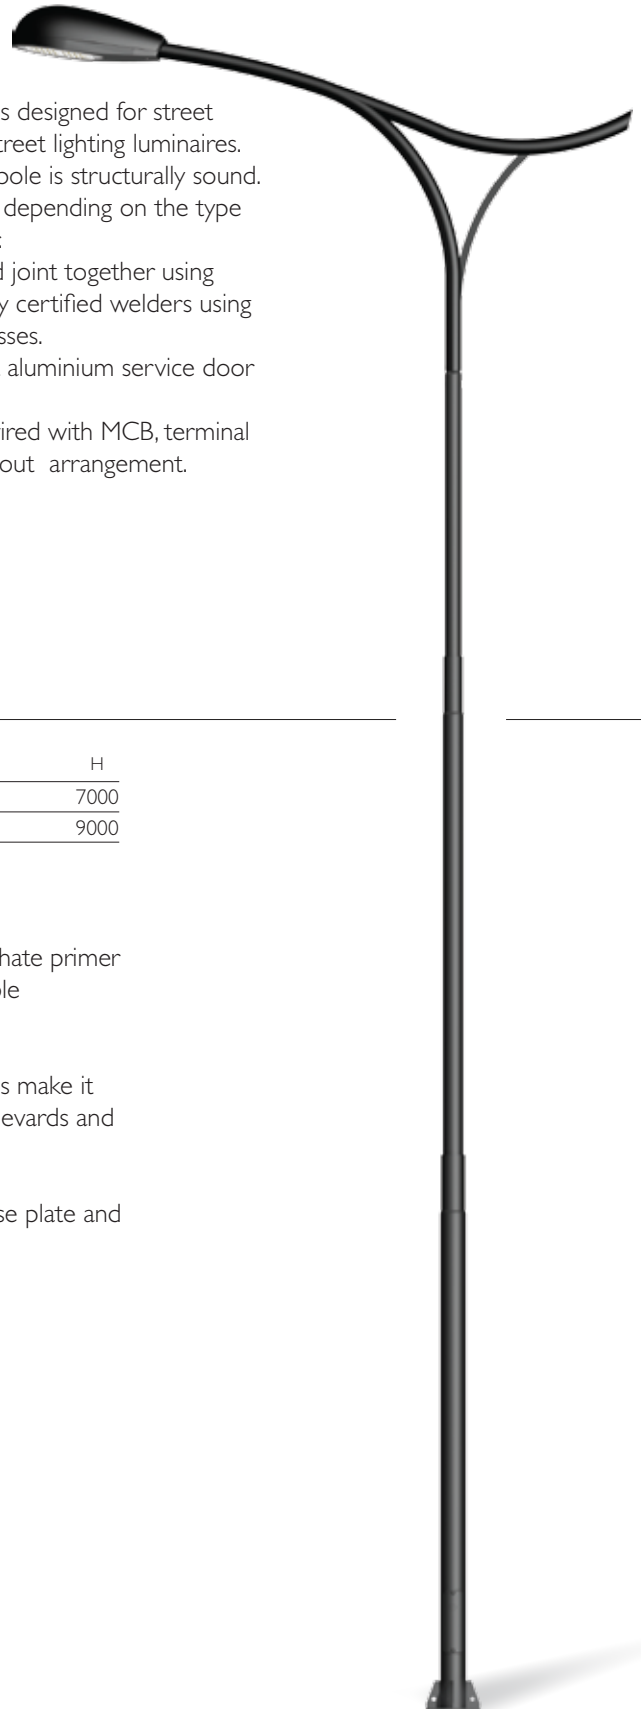

K-LITE

Narnia is a contemporary arched design that is both timeless and unique in its impression. Superb strength characteristics make these products ultra reliable.

Features:

- Narnia pole with single arm is designed for street lighting, suitable for various street lighting luminaires.
- This architecturally designed pole is structurally sound. Pole design parameters vary depending on the type of bracket and loading factor.
- Pole sections are swaged and joint together using special v groove technique by certified welders using high end MIG welding processes.
- Built-in control box with cast aluminium service door and safety rope.
- The control gear tray is prewired with MCB, terminal connectors for loop-in loop-out arrangement.
- CE - Conformity mark

ID	Arm	A	H
KP-8229	Single Arm	1900	7000
KP-8230	Single Arm	1900	9000
